MHS2007 & Micro-Nano COE

Oral Presentation Guideline

1) Visual Aids Equipment

*Each session room will be equipped with a PC projector.

*Please be sure to preview with the projector for PC/MAC before your presentation.

*Please take your PCs to conference rooms at least 30 min. before your presentation.

*The equipment should be controlled by each speaker. If you need any assistance, please ask our staff.

*When you finish your presentation, please remember to take your PCs with you.

2) Others

In the conference room, please sit at "Next Speaker"-signed seats.

3) Time Schedule

The time Scheduled for your presentation is 15 min. This 15 min. should include time for Q&A also.

Please try to arrange your presentation for a 12 min. presentation, and leave 3 min. for Q&A.
